1.

25X1X

that Soviet soldiers had constructed telephone lines from Luetken-  
wisch across the Elbe River to the Altmark and farther along the  
zonal border. [REDACTED]

2.

Eighteen Soviet soldiers wearing red-bordered black epaulets were  
observed to be stationed in Thurox, 12 1/2 km east of Ratzeburg (M 54/T 07)  
[REDACTED] were parked  
in front of the Soviet quarters. Twenty-four German policemen with four  
dogs were also stationed in Thurox. \*

3.

The Soviet detachment previously stationed in Utocht on Ratzeburg Lake  
had been relieved by a new detail of 24 men who wore black-bordered red  
epaulets. [REDACTED] was identified with the new unit. \*

25X1C

It is believed that the Soviet detachments on border  
duty in that sector of the zonal border were still furnished by elements  
of the 94th Gds Rtz Rifle Div.
